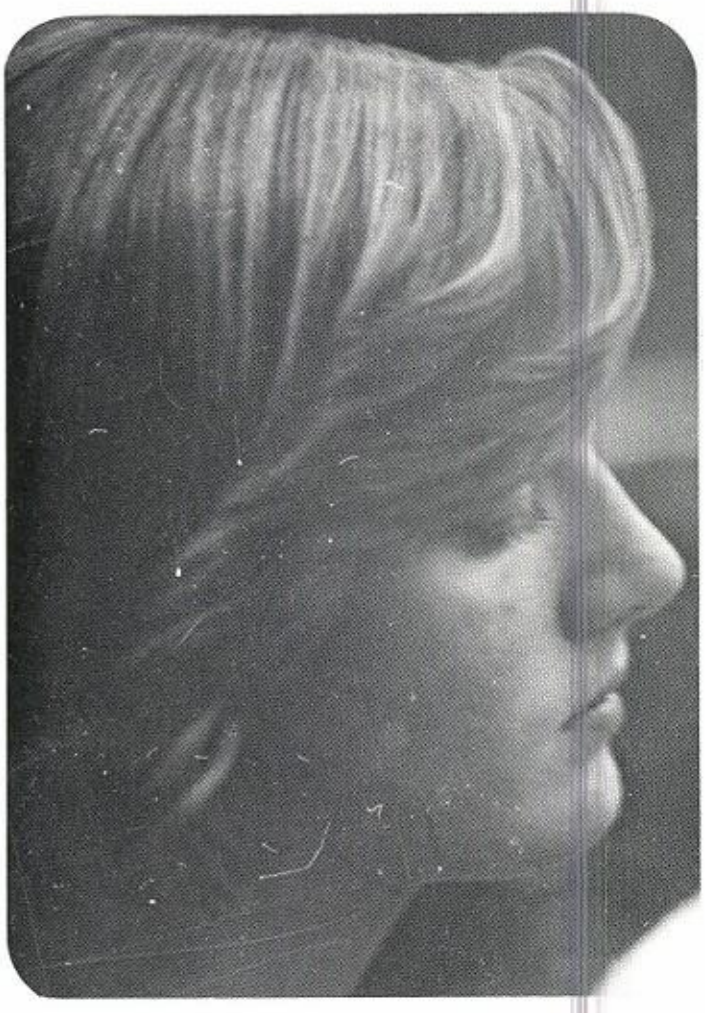
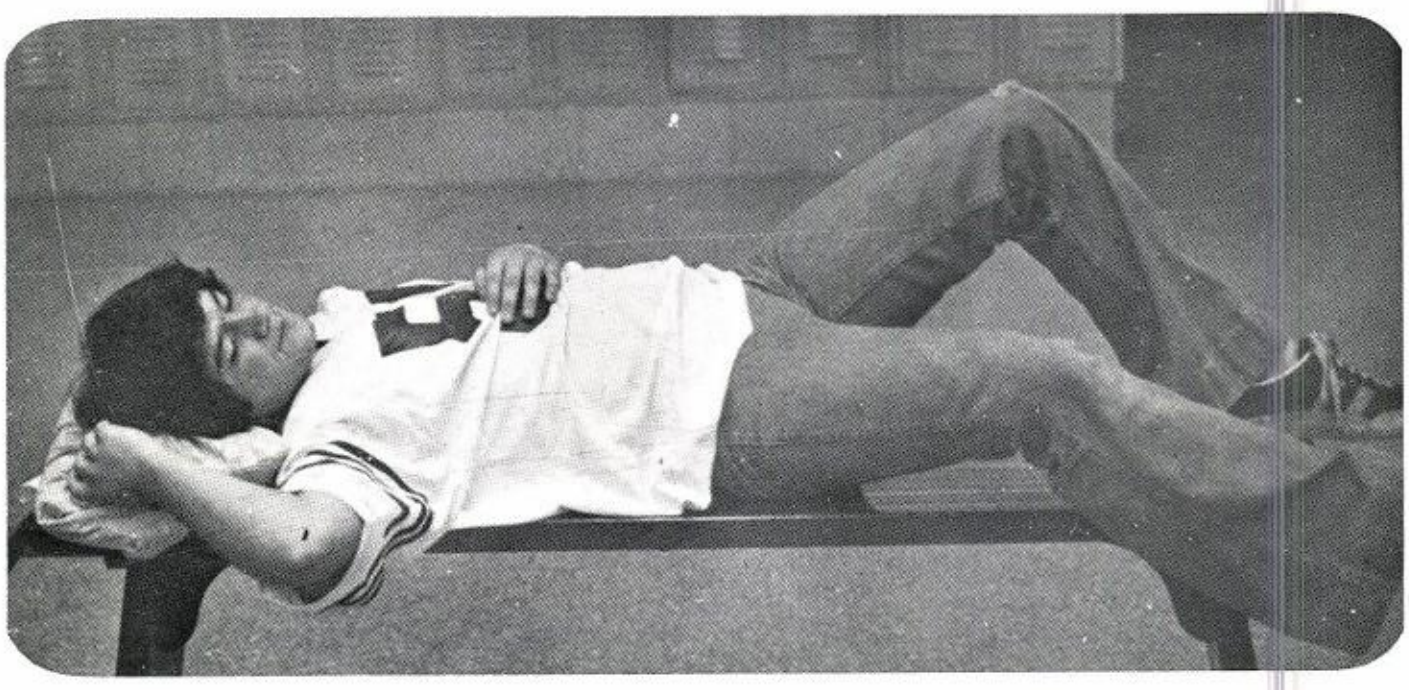
In memory of Miss Maurine Mays, whose death has left a void in the Fordyce Public School System, we, the annual staff, are very appreciative of the devotion and knowledge she gave so unselfishly.

Jack H. Gresham

In recognition and appreciation for thirty-one years of unselfish and devoted service and leadership for the Fordyce School System, we, the annual staff, would like to express our thanks to Mr. Gresham. He has given many years of hard work for the improvement of our school.

BEING...





Love when you can
Cry when you have to...
Be who you must
That's a part of the plan

jr. play is a success

Much credit and thanks is given to Mrs. Dana Freeney who gave up her spare time for practice. The junior students were as dedicated to practices, making the sets, learning lines and publicizing the play as their sponsor. It seemed like a large majority of the juniors had something to do with the play. There was a big reward for all their efforts . . . a successful play!

He attended Boys State where he was elected a Senator, and he is in the upper ten percent of his class. He was also chosen Who's Who Among American High School Students.

Clay's hobbies include fishing, hunting, and baby sitting with Jill. He enjoys showing George Shelton how to catch the big ones.

His future plans are to attend the University of Arkansas at Fayetteville and major in engineering.

BEING active is Brenda's bag. "Playing backyard basketball and making up new tunes on the piano are my greatest satisfaction after school hours," stated Brenda.

Brenda has had the privilege of participating in team sports during her high school years. She has also been involved in Student Council, FHA, Dramatic Club, Nike Club, basketball, and track.

She plans to attend the University of Central Arkansas in Conway and hopes to major in the field of social work.

rosemary

Being interested in the Arts, Rosemary devotes much of her time to various creative activities. Making and designing her own clothes, sketching, playing the piano, and writing, poetry in particular, are all a part of Rosemary's life.

Some of Rosemary's achievements include being a NCTE Achievement Award in Writing finalist, a member of Who's Who Among American High School Students, and a winner of the General Mills Family Leader of Tomorrow Award.

Rosemary is an active member of Quill and Scroll, FCA, Thespians, Beta Club, Hi-Times Staff, Annual Staff and she has been President of the Dramatic Club for two years. She is secretary of Art Club, was a two-year member of Student Council, one of which she served as parliamentarian, and was Vice-President of French Club.

She was a majorette for three years. She was in the cast of the Jr. Play and "Rock-N-Roll", the school-wide musical.

After graduation, Rosemary plans to attend Louisiana Tech where she will have a double major in fashion and art.

Rosemary Ellis Chosen As NCTE Finalist

BEING a perfectionist has helped Tami to achieve many honors throughout her years in high school. She has been a member of both the Who's Who Among American High School Students and Society of Distinguished American High School Students for the years '76 and '77. Tami was Miss Dallas County for 1975, and she was a Junior Maid in the '76 Homecoming Royalty.

Tami is a member of Beta Club, French Club, Nike Club, Dramatic Club, and has served as President and Vice-President of the Art Club. She is also a member of the Annual Staff, Quill and Scroll, FCA, and a Representative of Student Council. As a Girls' State Delegate, Tami managed to keep everyone on their toes and anxious for home. Tami's real character is portrayed in her role as Betsy Lou in the school musical entitled "Rock-N-Roll."

Tami stays busy with her hobbies which include tennis, sketching, painting, playing the piano, and singing in the FBC Youth Choir and "Shalom" ensemble, but she allots her time evenly so that she can still advertise for Bell Telephone System; her motto is "Long distance is the next best thing to being there." (With Danny, of course.)

Her future plans include going to Louisiana Tech where she will major in fashion merchandising.

BEING a journalist and an artist are two of Melinda's favorite hobbies. She spends most of her time working on the HI-TIMES and the PLYWOOD PIONEER. She has also used her artistic talents in working on class plays and homecoming sets. When Melinda is not playing "peanuts" in journalism, she can always be found taking her mid-morning coffee break in Mrs. Knick's room.

Melinda is a member of the Society of Distinguished High School Students and Who's Who Among American High School Students. She is also a member of the Beta Club, Nike Club, Dramatic Club, Thespians, and Quill and Scroll. She is vice-president of the Art Club and was president of the French Club her junior year.

Melinda plans to attend Hendrix College where she will major in Art and French.

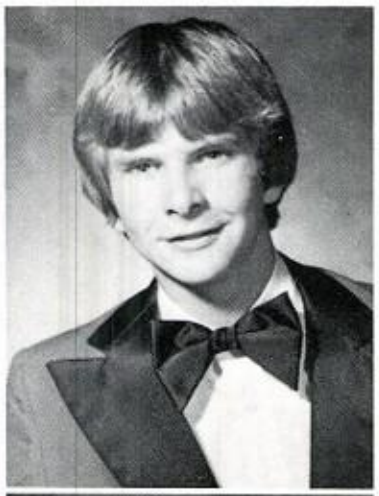
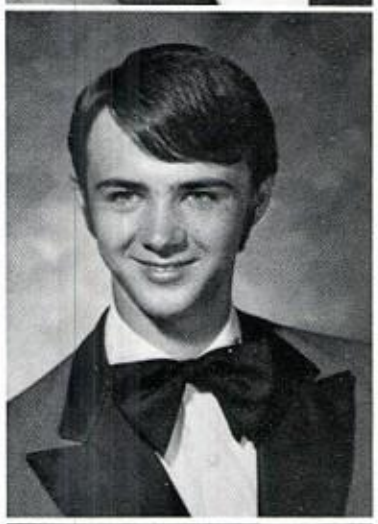
lorraine

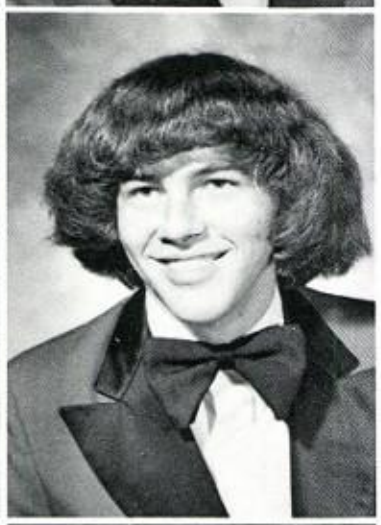
BEING independent is Lorraine's way of expressing herself. She has been a member of the FHS band for six years, and she was head majorette for four years. She is also a member of the stage band. She is involved in the Beta Club of which she is vice-president, historian of the Nike Club, president of French Club, and editor of the HI-TIMES. Lorraine is also a member of Quill and Scroll, Thespians, Who's Who Among American High School Students, and Society of Distinguished High School Students.

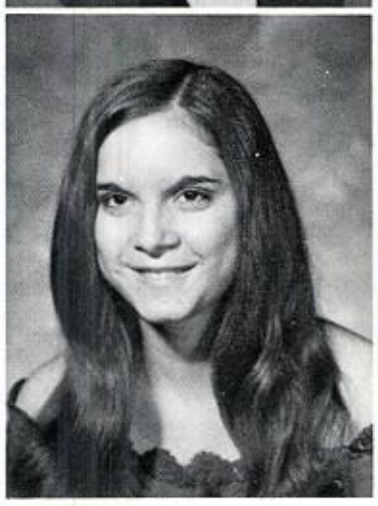
In her spare time, Lorraine enjoys giving twirling lessons, reading gothic novels, and waiting for Timmy to get off work.

Lorraine's future plans are to attend UAM at Monticello and major in English, minor in Speech. She hopes to become a secondary school teacher.







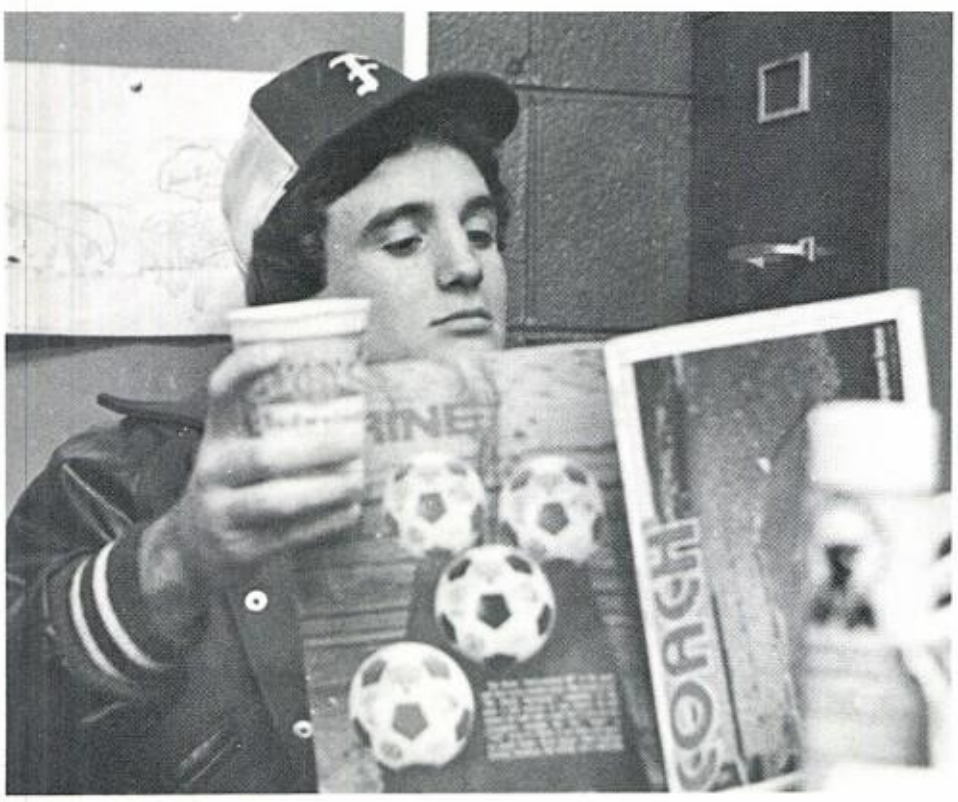


BEING involved is a must for Gayle. She has been a member of the Beta Club, Nike Club of which she is reporter, French Club, Dramatic Club, she is club page editor of the HI-TIMES and also photographer. Gayle has been among Who's Who Among American High School Students and Society of Distinguished American High School Students. She is involved in sports; she played basketball for two years, track for one year, and lettered in tennis two years.

When asked what her hobbies were Gayle smugly replied, "Wouldn't you like to know?"

Gayle's future plans include attending the University of Arkansas and majoring in physical therapy.

gayle



BEING "class clown" is one of Mike's best known qualities. His major achievements include going to Boys' State, making the 8-AA All Region Defensive Team two years, making the All Southeast Arkansas Offensive Squad in 1976, running track, being Senior class president, Beta Club president, and Jr. Talent Show emcee.

Mike's hobbies are girls, being crazy and getting away with it, swiping a school bus occasionally, and trying to get guest lecture appointments from any teacher that would listen to a speech on "Techniques and antics of well-known class clowns."

Mike is still undecided about his future plans. He has visited several schools and is thinking of going into broadcast journalism or photography.

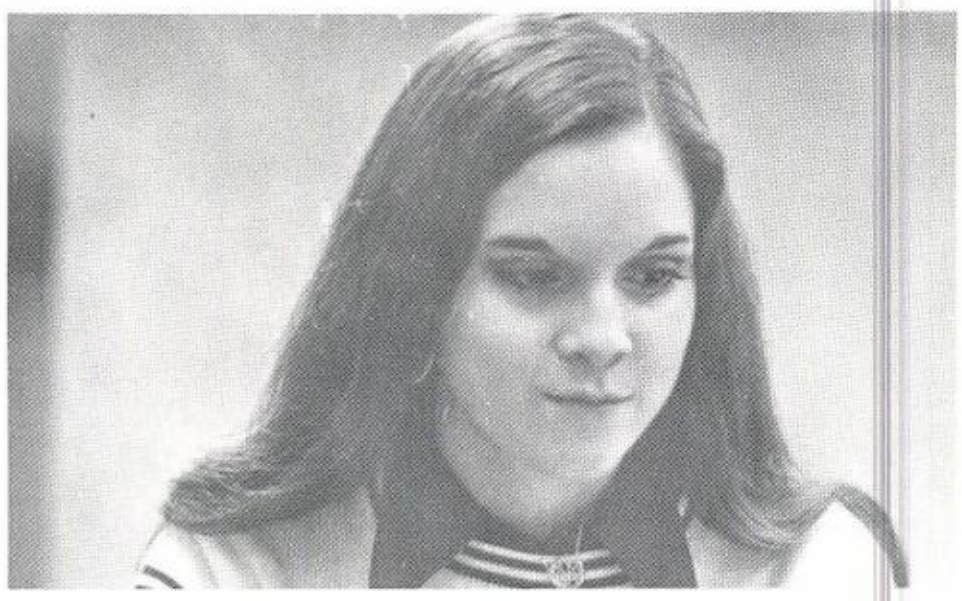
In Class Play



BEING actively involved in piano, holding down a job, and remaining in the top 2% of her class throughout high school occupies most of Ruthie's time. She also keeps busy with sailing, cooking, and traveling.

Ruthie has served as secretary for the French Club and Pledge Mistress of the Dramatic Club, both of which she is a very active member. She has participated in Band, FCA, Nike Club, Student Council, Thespians, and Beta Club. Ruthie is also a member of Who's Who Among American High School Students and the Society of Distinguished American High School Students, and attended Girl's State.

Ruthie plans to attend Baylor University in Waco, Texas where she will be studying either accounting or child psychology.

bill

BEING Student Council President for the 1976-77 school year has allowed Bill to show his leadership qualities as well as his ability to get along well with others. He was also president of his freshman class and junior class, and he was president of the French Club. He is an active member of Beta Club, FCA and was a Boys State Delegate. Bill is also a member of Who's Who Among American High School Students and Society of Distinguished American High School Students.

Bill enjoys almost any type of sport. He participated in track and tennis for one year, and he has lettered in football for three years.

Although Bill likes to roller skate, his favorite pastime is shooting squirrels with his BB gun.

Bill is undecided as to which college he plans to attend, but he wants to become either a pilot or a forester.

"Any Number Can Die" is a comedy mystery by Fred Carmichael. It's a hilarious take-off of the mystery plays of the late twenties, complete with sliding panels, robed figures, and wills being read at midnight. The idioms, costumes, hair-dos and make-up of the period add to the thrills and laughter. Four ingenious murders take place in an island mansion as the pair of elderly detectives set to work on their first case. The ever-popular storm, the unexpected guests, the cryptic poem and the missing ~~fortune~~ all add to the intricate and inventive mystery off which the laughter bounces.

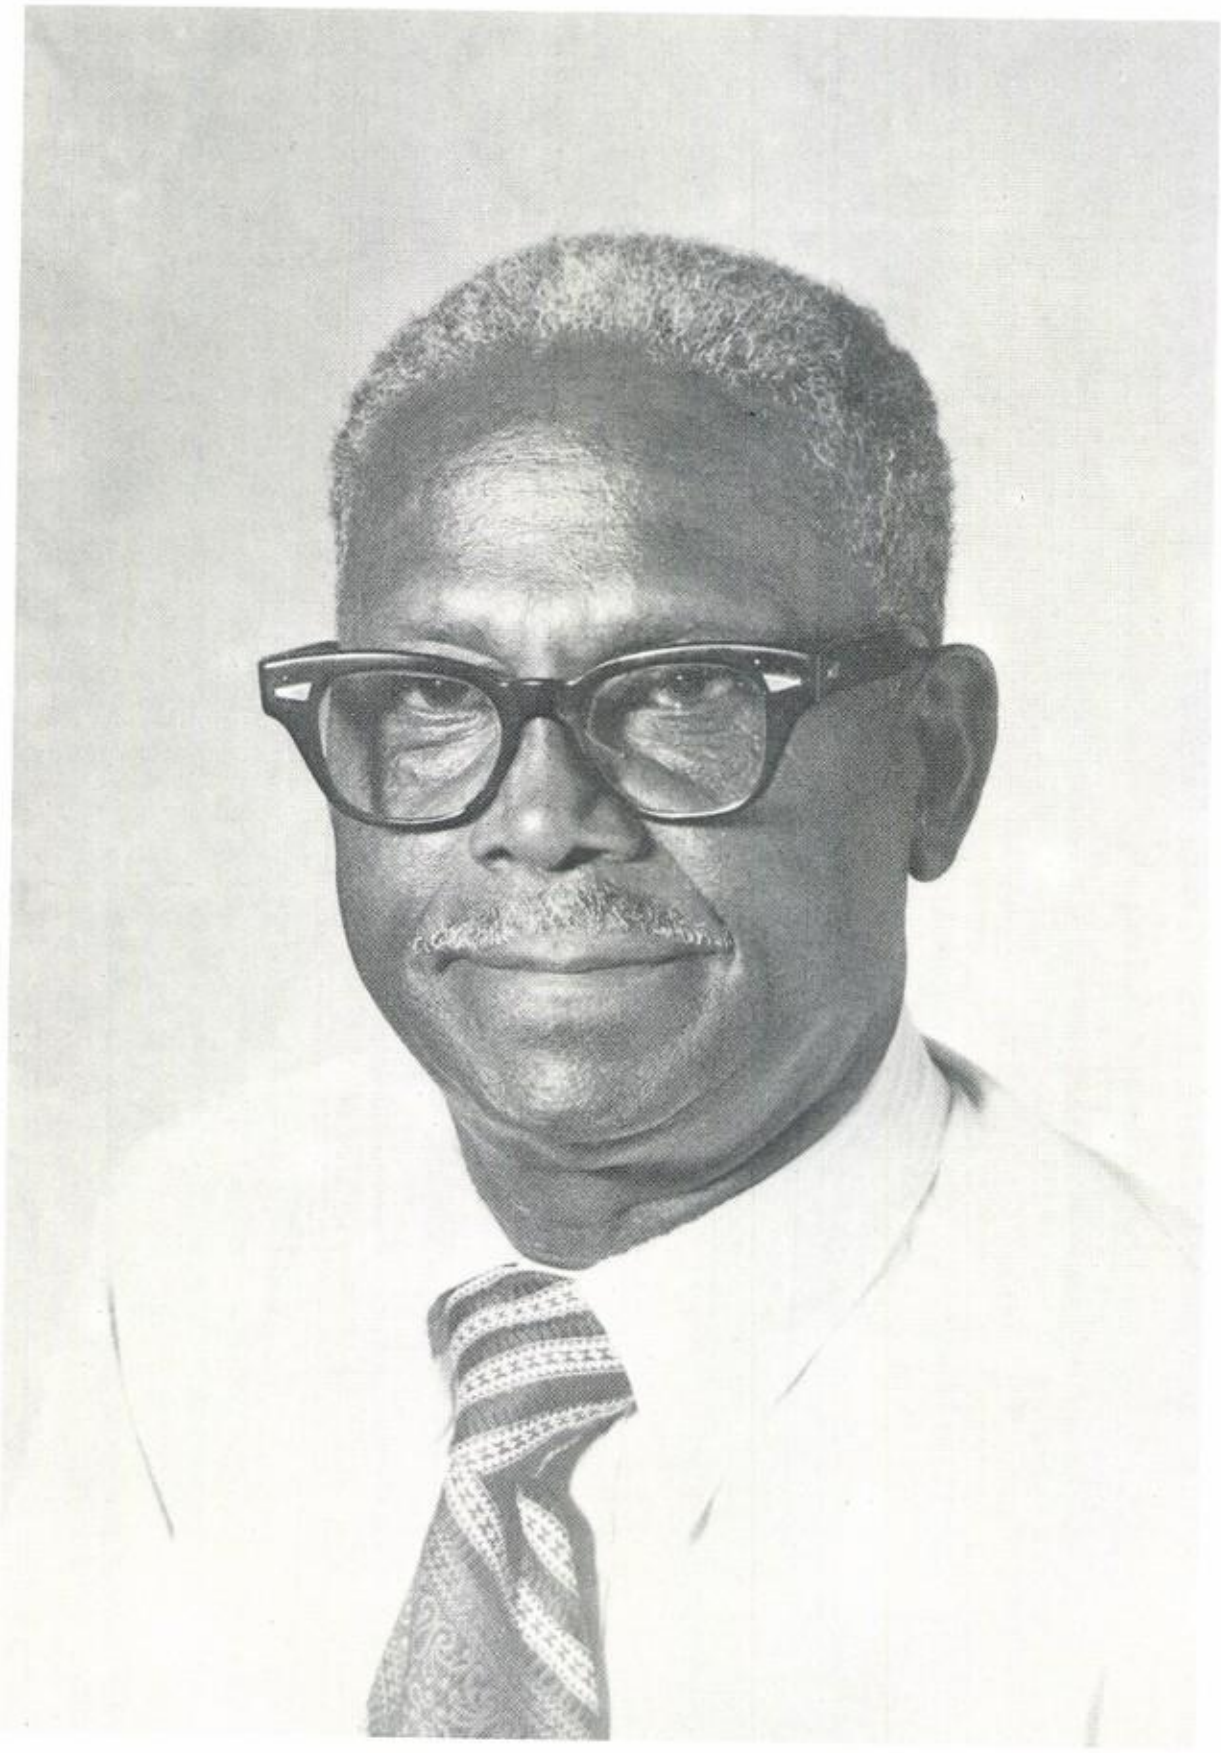
Thank you for your guidance.

Thank You . . .



. . . Neil Bailey

Neil Bailey has been a custodian with the Fordyce School system since 1942. For 34 years, he has cleaned and picked up after students, and has never complained. He started at the Grammar School and worked there until 1957. Then he moved to the old high school until 1965. He then returned to the grammar school until 1972 when he moved to the new high school.

Many students have come to know and love Mr. Bailey and as he put it, "I've learned to love all the students and teachers, and I like my work." Teachers have always depended on Mr. Bailey for all minor crises. If ever a light burns out, or a spill is made, it is always Mr. Bailey to the rescue.

Neil Bailey was a very important person in our school and for all your years of service we thank you.

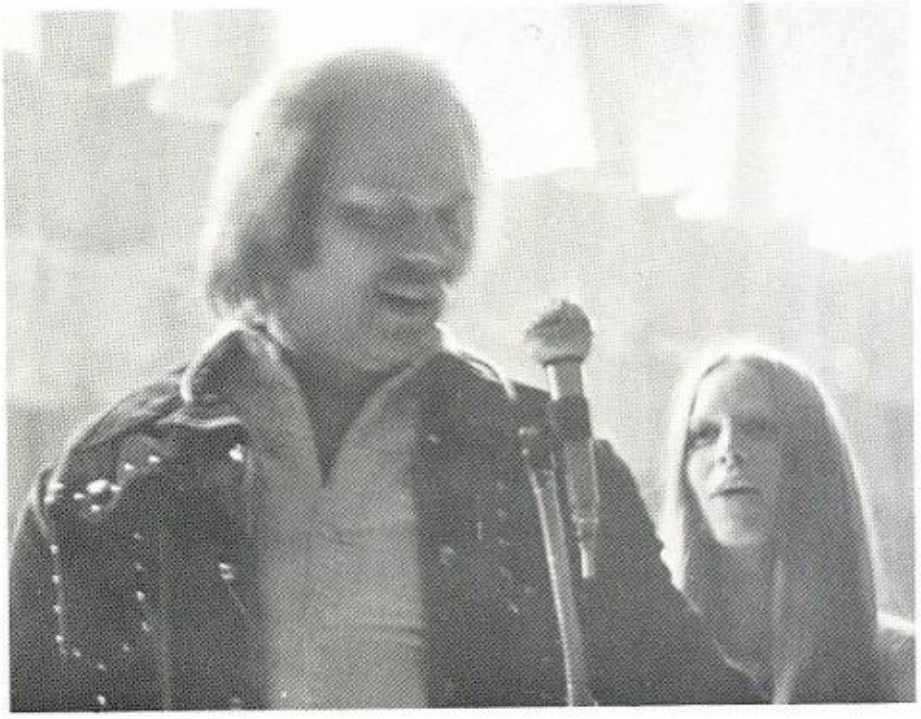
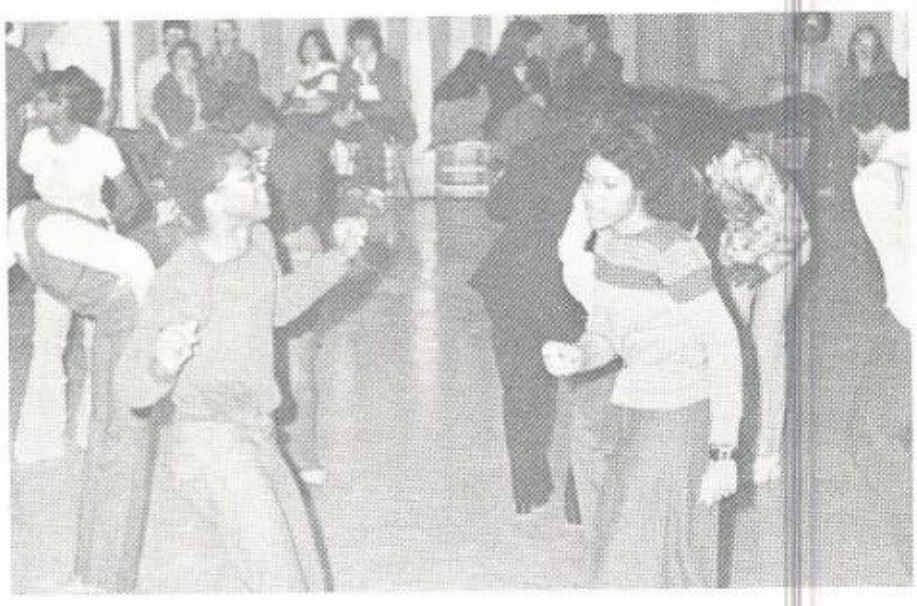
The council is responsible for the Citizen and Teacher of the Month Award. This year's district SASC meeting was held in Hope, Ark. and Rosa Marshall and Jackie Sargent were the delegates. The council meets once a week to discuss making the school better and thanks to the student body it has been a success.

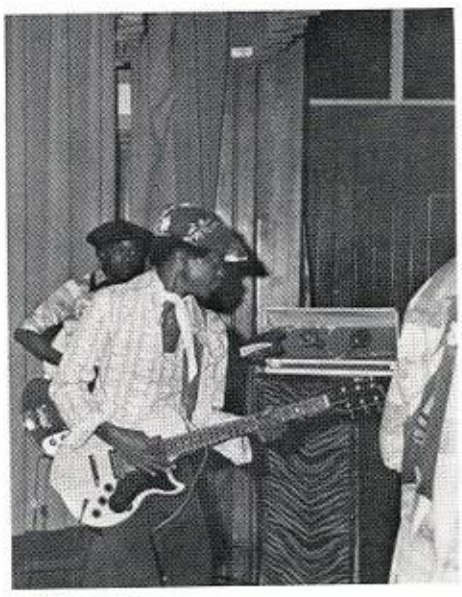
DANCES...



The Christmas dance was highlighted when Bob Robbins came to Fordyce. Bob is a D. J. for KAAY in Little Rock.

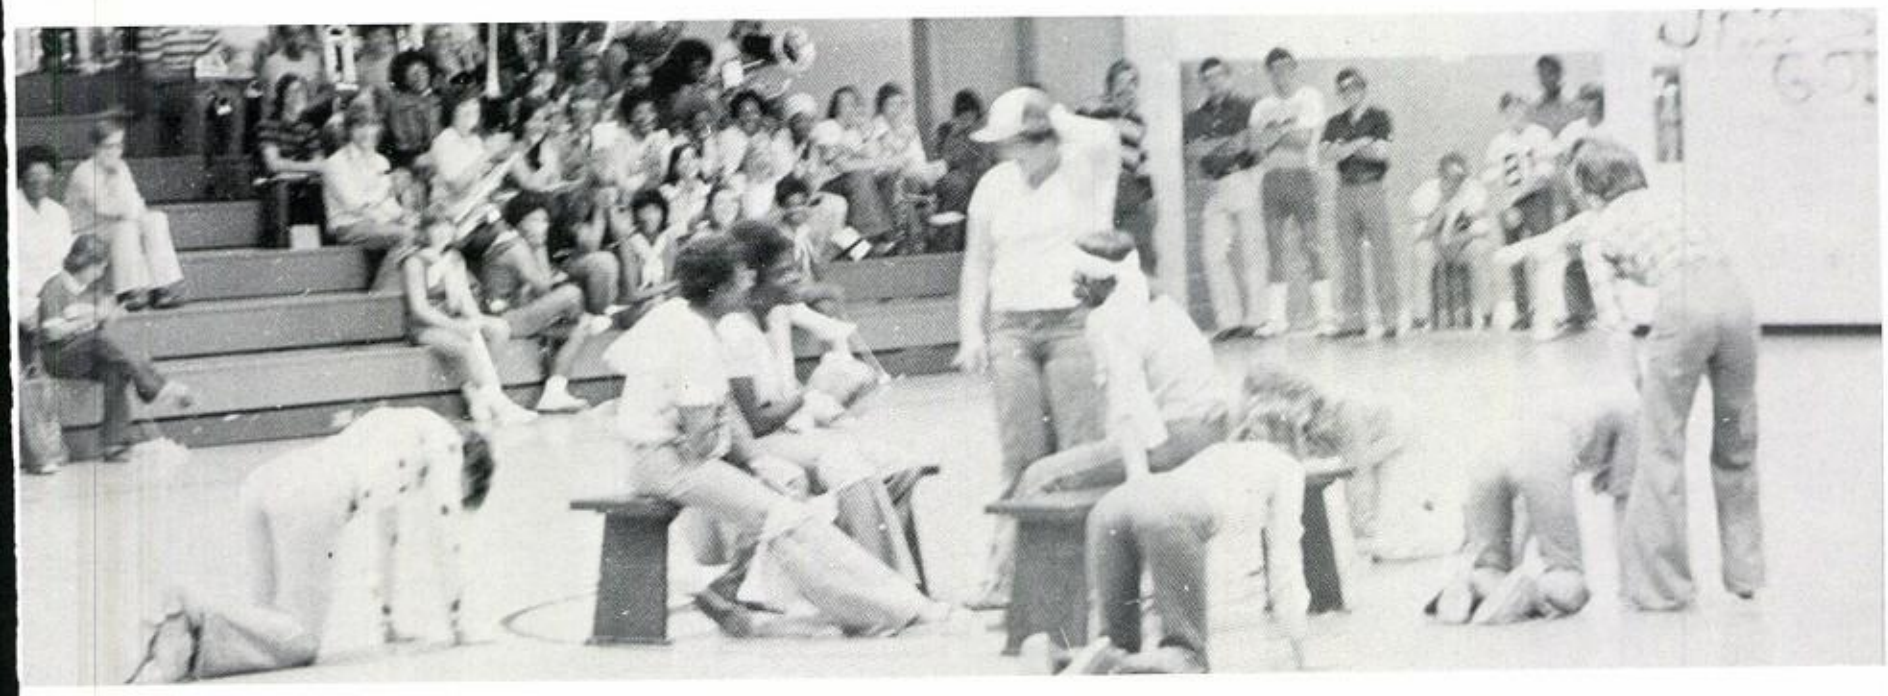
At the great event Homecoming, Soul, Mind, and Body was the featured band. They are from Little Rock, Arkansas.





The Patterson Cafetorium is where all the dances are held. Most come to boogie and others to stand or sit and just groove. Above: Ricky Jimmerson and Rena Lee get into the dance with the latest dance, the body language.

ASSEMBLIES



The assemblies is where all the students show their support for the team. The Dramatic Club also promotes spirit at the assemblies with some kind of skit. Bottom: Mrs. Ellis' Middle School Choir performs for the High School student body.

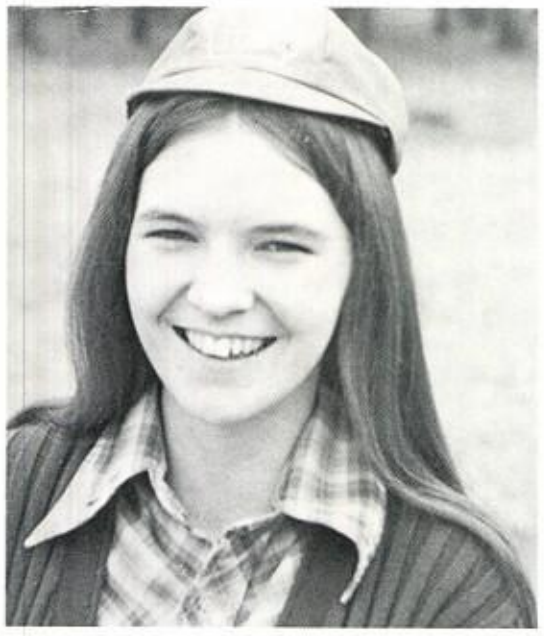
Friends we are...



Debbie Totty finally realizes that it's not that bad after all.

Arkansas Girls' and Boys' State held at UCA, was special because it was the bicentennial year. For this reason, government and democracy was made even more important to each delegate. Saluting the stars and stripes, praising God, campaigning for friends, and listening to government officials became the basis for the involement there. Faith, freedom, friendship—that's what it's all about.

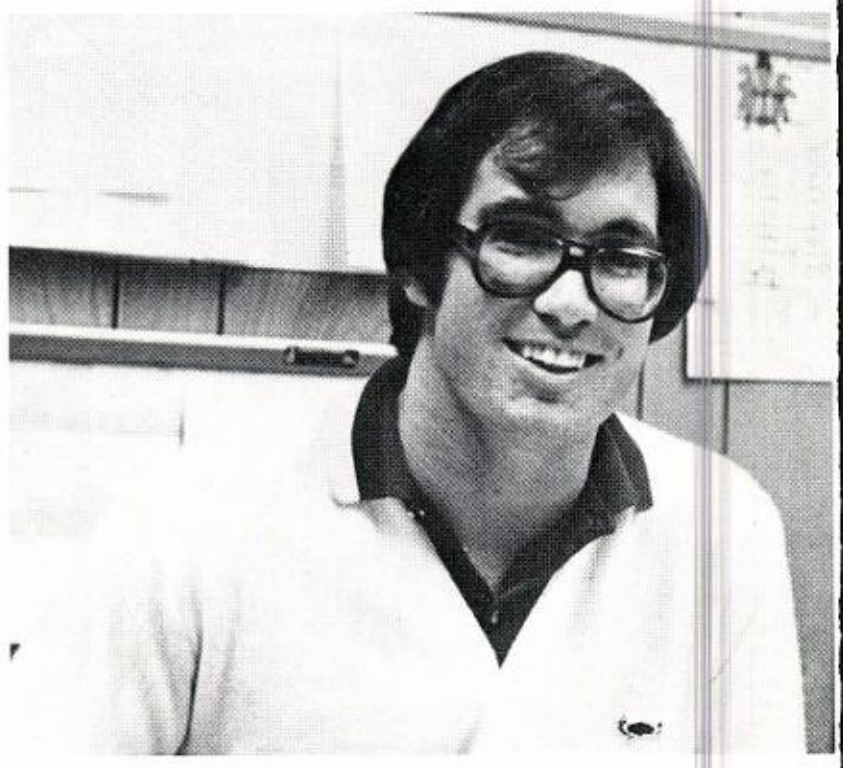
Beta Club



The Fordyce Beta Club started off their 1976-1977 school year with a new sponsor, Daniel Slay. Mr. Slay received his Bachelor of Science in Physical Education and his Master of Education in Guidance and Counseling at Delta State University, from which he graduated in 1974. He was a member of Pi Kappa Alpha Social fraternity, and he was a Dean's List and President's List Scholar. He has coached and taught one year at Natchez, Miss. and was a Guidance Counselor at Eudora, Ark. last year.

National Beta Club is a non-profit, leadership service organization for high school students. It's purpose is to encourage and assist its members to continue their education after high school.

HI-TIMES

Volume 43 May 11, 1977 Number 11

HI-TIMES Staff: Terri Todd, Christi Richardson, Kristi Swan, Jeff Lummus, Eric Harris: Business Manager, Gayle Lyon: Clubs and Photographer, Lorraine Howard: Editor in Chief, Ray Bradley, Mrs. Freeney: Sponsor, Linda Davis, Melinda Green: Feature Editor and Cartoonist. Not pictured: Missy Clark, Barbara Rich: Sports Editor.

Hi-Times has undergone some changes this year; a new magazine style has been adopted by the staff that allows more artistic freedom in layout design and writing technique. Instead of the traditional four-page newspaper, **Hi-Times** has expanded to eight pages with more pictures, cartoons, and copy. The additional pages allow "breathing" space which gives the paper a more informal, easy-to-look-at appearance.

Hi-Times also has a new sponsor this year. French teacher, Dana Freeney, threw her experience as editor of a literary magazine into the melting pot of **Hi-Times** talent, and in the process learned as much, or more, about the paper as anyone did.

Though a lot of things about **Hi-Times** have changed, many have not. It's still a difficult and trying task to put out the paper, and it still requires a lot of dedication and a modicum of talent.

Breaking in new reporters is also hard, and teaching them everything they should know takes time, patience and a lot of printed mistakes. This year the reporters have all been interested, eager and sometimes cooperative.

In any case, we, as the editors of **Hi-Times** have truly enjoyed presenting to the students this year's paper, and look forward to the efforts of next year's staff.

FHS MAJORETTES

Leading the Redbug Band onto the field this year were the Majorettes for 1976-77 school year. Under the leadership of Lorraine Howard the girls showed their outstanding twirling abilities. Long hours of hard work and cooperation went into the making of each show.

The Majorettes attended a twirling camp this year at the University of Arkansas during the summer where they competed and won the dance twirl competition. Other awards include three individual achievement trophies, eight medals and Rose Ann Roach received the outstanding camper award.

Pictured below are Row 1: Lorraine Howard, Captain; Suzette Johnson, Lisa Howard. Row 2: Stephanie Parsons, Vonda Peters, Rose Roach.

This was the gymnastics team's first year of competition. They competed against such schools as Pine Bluff, Dumas, Hot Springs and Stuttgart, and have done well in the first year. The teams are taught and coached by Mrs. Standley, who does her job well. Who knows, one of our girls may be another Nadia.

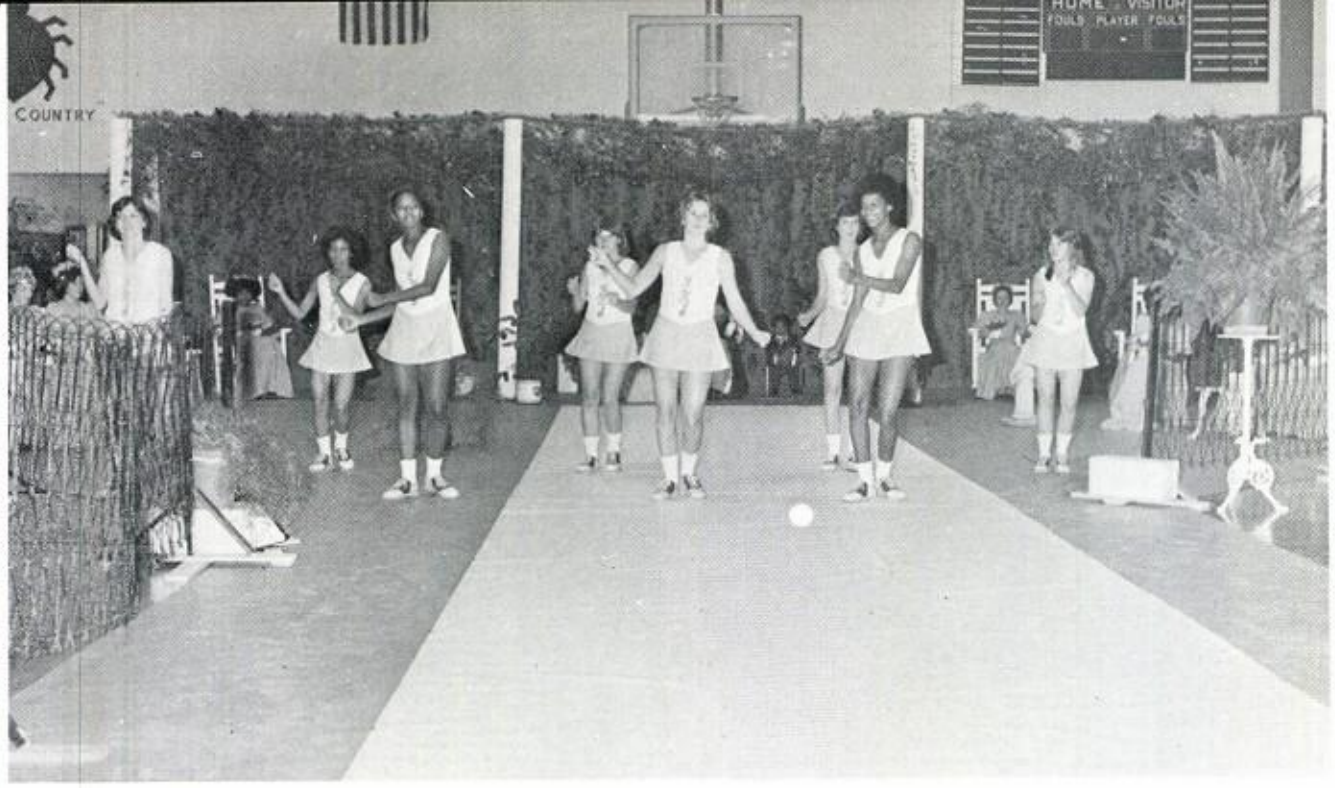
Cheerleaders are: Cindy Bagwell, Bobbie Sumler, Missy Clark, Karen Weeks, Kristi Swan, Mary Kyzer, Jan Graves, Susan Kyzer, Vickie Marks, and Judy Matthews.



Being a cheerleader is more than jumping around and yelling for the school. Many hours are spent practicing, making signs, and preparing pep assemblies. THANKS CHEERLEADERS!
